AN ACT ...; relating to: the budget.[✓]

Analysis by the Legislative Reference Bureau

ENVIRONMENT[✓]

HAZARDOUS SUBSTANCES AND ENVIRONMENTAL CLEANUP[✓]

Under the[✓] Land Recycling Loan Program, this state provides loans to cities, villages, towns, and counties[✓] (political subdivisions) for projects to remedy environmental contamination at sites owned by political subdivisions[✓] where the environmental contamination has affected, or threatens to affect, groundwater or surface water.[✓] The loans are subsidized[✓] so that recipients are not required to pay interest. The budget bill[✓] for each fiscal biennium establishes the present value of the subsidies that may be provided under the Land Recycling Loan Program[✓] during that fiscal biennium. Current law provides[✓] that, in any fiscal biennium, an eligible applicant may not receive more than 25 percent of the present value of the subsidies established for that biennium. This bill eliminates this funding cap.[✓] *

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
